IEEE Computer Communications Workshop (CCW) 2011
Resort and Conference Center at Hyannis
Cape Cod, MA
<http://www.ieee-ccw.org/>

CCW is the annual flagship workshop of the IEEE Communications Society's Technical Committee on Computer Communications (TCCC). It is a panel-based workshop with informal, interactive sessions exploring emerging issues and trends in networking and computer communications.

This year's program includes ten sessions on:

- Security in Future Internet Architectures
- Smart Grid
- Addressing and Routing
- Data Centers
- Energy-efficient Networking
- Information Access on the Internet
- Network Control and Configuration
- Home Networking
- Social Networking
- Wireless Networking

Please kindly note:

- The workshop program spans 2.5 days from Mon Oct 10 to Wed Oct 12 noon
- Early registration deadline: Sep 16, 2011
- Hotel reservation cut-off due: Sep 16, 2011

We look forward to seeing you soon in Cape Cod!

Lixin Gao, Umass and Ibrahim Matta, BU
CCW 2011 Chairs
